**Capital Campaign 2023**

## To Our Supporters,

We've made fantastic progress on our capital campaign over the last few months, and we're grateful for the support of the many community members who brought us to this point, enabling Dutton Farm to reach **\$800,000 of our \$1.3 million goal**.

The finish line is in sight as we strive to raise the **last \$500,000 of our campaign goal**, but we can't do it without your help. Every dollar you donate brings us closer to the construction of a brand-new facility designed specifically for our needs.

This building is foundational to our **Adult Education, Community Involvement, and Workforce Development programs** because it provides an inclusive setting for our participants to come and learn, build relationships, and gain confidence. It further allows them to explore their individual gifts and strengths, which oftentimes leads to successful employment outcomes and more independent lives.

With your help in growing our capacity, we can expand our life changing work to serve **dozens more individuals waiting at home** for the opportunity to access the community.

Thank you for your support!

Jenny Brown  
President & CEO

## Programs & Services

### Adult Education

Adult Education provides skill building and community living services. Curriculum revolves around daily progress goals and provides meaningful engagement. Our participants are responsible for our gardens and animal care, giving them ownership and pride in their activities.

### Workforce Development

Workforce Development places and supports participants in customized, integrated jobs within the greater community. We get to know our participants and find employment situations that fit their skills and desires, and then provide the follow along support services that will set them up for success.

### Community Involvement

Community Involvement is an off shoot of Adult Education. Our participants go on daily outings, becoming active members of the larger community. They participate in consumerism and volunteerism, forming meaningful relationships at all our sites.
